

OOKLA *the* MOK

VS
EVIL

ART: BALTAZAR, 2013

EVIL I

EVIL OVERLORD

I'm the man with the evil master plan
I've got it all laid out on an evil diagram
Gaze into my evil eye
I'm the bad guy

I'm a sinister, insidious, and sneaky spy
I'm grumpy in the morning and I often lie
No cowboy private eye
Is gonna foil my evil schemes or spoil my evil dreams
You know that I'm the evil overlord
If evil had a game show then you know I'd win a special award
I'm universally abhorred
I'm the bad guy

He's an evil chap
That's an evil booby-trap
He's got his pushpins all pushed in on an evil Mercator map
If you gaze into his evil eye pretty soon you'll see the light
You'll reel and spin and feel a chill and
Then you'll realize he's the villain

EVIL HENCHMAN

He's an evil guy
A sneaky superspy
He wakes up really cranky and he almost always lies
No cowboy secret space detective super private eye
Could ever thwart his evil sport

He's the evil mastermind
He'd win the Showcase Showdown on The Evil Price is Right
He's the guy you like to dislike
He's just not very nice
He's so not very nice
He's just not very nice

EVIL OVERLORD

I'm evil!

THE OTHER SIDE

STORMTROOPERS

Come to the Dark Side
Come over to the Dark Side
Can you feel the Dark Side?
You can't resist the Dark Side

VADER

Young Skywalker Obi-Wan has taught you right
Young Jedi why don't you come on to the other side?
'Cause I can feel your anger
And I can feel your hatred
Why don't you use your anger?
Come on and let your hatred make you strong

Come On

Come On Come On

Come On Come On Come On

Come On to the Other Side

EMPEROR

Young fool if you'll not turn then you will surely be destroyed
My young apprentice witness as my Death Star blasts your friends and droids

I got your Jedi Weapon

I know you want your weapon

Come on and take your weapon

Come on I know you want to strike me down

Come On

Come On Come On

Come On Come On Come On

Come On to the Other Side

VADER

The Force is strong in you, young Skywalker

EMPEROR

In the end, your friends have failed

VADER

But you are not a Jedi yet

EMPEROR

You can't run and you can't hide from the

VADER

Don't underestimate the Other Side

EMPEROR

Only now do you understand

VADER

We'll rule the galaxy, just you and me, it is our destiny

EMPEROR

And now Young Jedi you will die

STORMTROOPERS

Come to the Dark Side

Come over to the Dark Side

Can you feel the Dark Side?

You can't resist the Dark Side

VADER AND EMPEROR

Come On Come On

Come On

Come On Come On

VADER

Who's your Daddy?

VADER AND EMPEROR

Come On

Come On Come On

Come On Come On Come On

Come On to the Other Side

STORMTROOPERS

Come over to the Dark Side

MWAHAHA

Your girl is lashed to the railroad tracks
I twirl my mustache and laugh my evil laugh
I stroke my cat and then I steeple my hands
You hang above my smoking vat as I reveal my plans

Now just lie still and die while I try to decide
What bad guy line applies to my diatribe

How 'bout "No, Mr. Bond. I expect you to die"
Or maybe "Kneel before Zod" or "Give yourself to 'The Dark Side'"
"From Hell's heart I stab at thee"
or "Wait until they get a load of me"

How 'bout "Mirror, Mirror, on the wall
Who's the fairest of them all?"

Fools! None may challenge the will of Doom!
I'll get you my pretty and your little dog too
Revenge is a dish best served cold
I did it twenty minutes ago

Take whatever booty you can find
But remember: the Beast is mine!

I'm moving up to kidnapping you should be more polite
Ever dance with the devil in the pale moonlight?
Just when I thought I was out they pull me back in
And call off Christmas! Curses, foiled again!

He who fights and runs away
Lives to fight another day

Should I say "Riddle me this" or "Off with their heads"
Resistance is futile, you will be assimilated
Now while you hang there and consider your fate
Should I say "Release the hounds!" or just say "EX-TER-MIN-ATE"?

I have something to say
It's better to burn out than to fade away

By the way, Did I ever tell you how I got these scars?
I think the word you're looking for is "Ahhhhh!"
I'm sorry Dave. I'm afraid I can't do that.
Impressive but you're not a Jedi yet

It puts the lotion on its skin
Or else it gets the hose again

That's
MISTER Mxyzptlk
to You Buddy

Hey hey, you know what would suck?
If Mr. Mxyzptlk's name was Bob!

BIZARRO WORLD

Bizarro Adam: Me Bizarro Adam

Bizarro Rand: And me Bizarro Rand.

Bizarro Adam: And me simply cannot say how "happy" me am today. Me am feeling "okay."

Bizarro Rand: Wait— Don't you mean "unhappy"?

Bizarro Adam: No, me don't mean "sad".

Bizarro Rand: Me just find it surreal that this is how you would feel
So me am feeling "sorry" that you are not feeling "bad."

Here in Bizarro World

Folks go out of their way

To smile and say,

"Have a terrible day

In Bizarro World"

Bizarro Adam: Thank you— wait, you're "sorry"?

Bizarro Rand: "Sorry" you feel "good".

Bizarro Adam: Me would hope you would feel "grateful" if you understood.

Bizarro Rand: One would think that me should.

Bizarro Rand: Me do "care" about you; and me understand.

Bizarro Adam: Hey, what's the deal?

Bizarro Rand: Me just say how me feel.

Bizarro Adam: Well, that am a "nice" thing for you to say, Bizarro Rand.

Chorus

Bizarro Rand: There. Me have said it.

Bizarro Adam: Me hope you are "unhappy." Now me feel even "better."

Bizarro Rand: I do feel "unhappy."

BA: Well Good!

BR: Bizarro "good", or regular good?

BA: Regular good, I guess. But sarcastic. BR: HA! HA!

BA: What am funny?

BR: Me just got Mr. Mxyzptlk joke from previous song.

Chorus

Happy means sad

And good means bad

Sorry means glad

And wack means rad

In Bizarro World

In Bizarro World

Where Schadenfreude means esprit de corps
And the Blessed Virgin Mary is a filthy dirty whore

Menage a trois is comme ci comme ça

Le Roi shouts "Hurrah" at every coup d'etat

It's that certain, how you say, je ne sais quoi

Of Bizarro World

The five stages of grief are cause for joie de vivre

And we start all AA meetings with an aperitif

Our petite bourgeoisie all go to MIT

Au contraire means oui

And ennui means "wheeeeeeee!!!"

Bizarro Adam: Me am so "happy." How you feel?

Bizarro Rand: Meh. Me ambivalent.

Bizarro Adam: Me just want to "live!"

Bizarro Rand: Whatever.

Bizarro Adam: "Bad" day, Bizarro Rand! "Hello!"

Bizarro Rand: "Hello" forever!

It's bizarre over in Bizarro World

It's bizarre over in Bizarro World

It's bizarre over in Bizarro World

Here in Bizarro World

At the end of the day

Me just wanted to say

"Have a horrible day

An awful day

Hope you hated your stay

Now go away!

Have a terrible day

In Bizarro World!"

AMORA ADORES THOR

According to the OHOTMU
There's a mystic Norse dimension
Where by the World Tree dwell the Warriors Three
And other things too Uru to mention
And the prettiest girl in that whole world
Is an Enchantress named Amora
And though she's quite polite her carnal appetite
Would rival Sodom and Gomorrah
Heimdall, Fandral
She's known them all, she's done them all
Under Yggdrasil she's had her fill
But she gets no thrill from Beta Ray Bill

Cuz there's only one man in all the land
Amora can adore
She'll sleep with Hercules or any jerk you please
But she loves the Mighty Thor

Amora
Adores ya
Thor
Those guys before ya
All left Amora
Bored

Scandinavian babe in scant dress
The bodiced goddess named The Enchantress
Amora
Adores ya
Thor

Amora's schemes and fiendish dreams
All her armies and her henchmen
All her evil plans to rule the world of man
Are just attempts for Thor's attention

But if she can't have Thor then she'll be Asgard's whore
She'll throw her virtue on the pyre
Maybe five or ten random other men
Will help extinguish her desire

Balder balled her
With inspired desire she gave Tyr a try
Seems as if Thor gets stiff only for Lady Sif
Jane Foster, Brunhilde, and Lorelei
But maybe someday he'll see they were meant to be
A love that no one can ignore
She'll finally be his girl, he'll Ragnarok her world
Then she'll be feeling mighty Thor

Amora
Can't ignore ya
Anymore
She's gonna floor ya
She'll never bore ya
Thor

'Cause you know Thor and The Enchantress
Are gonna wind up sore and pantsless
Amora
Adores ya
Thor

But until her dream man tightly holds her
(til Thor holds her tight in his arms)
She'll settle for any old schlup
(even Northstar or Sasquatch or Puck)
For Amora's the anti-Mjolnir
Everyone but Thor has picked her up

Amora
Adores ya
Thor
Amora
Showed guys before ya
The door
Cause Amora
Adores ya
More

And in the end I bet you can't guess
No one's as sad as The Enchantress
Cause Amora
Adores ya
Thor

Poor Amora

But until her dream man tightly holds her
She'll settle for any old schlup
For Amora's the anti-Mjolnir
Everyone but Thor has picked her up

(If We Were Both)
Absorbing Man

I'm rubber, you're glue
Stuff bounces off of me and sticks to you
Provided I touched some rubber and you touched some glue
And we both have the wonderful amazing magic
Powers of Absorbing Man!

DOCTOR OCTOPUS (feat. Venom)

DOC OCK

Check out my limbs, there's eight, I'm Doctor Octopus
That's right, I'm him, I'm great, I'm Doctor Octopus
Rocktopus, shocktopus, watch the groupies flocktopus
When I'm busting rhymes like Johann Sebastian Bachtopus
I'm Doctor Octopus!
BOOM Shalocktopus!

I was a weak geek before I was Doctor Octopus
Sittin' watchin' Star Trek III: the Search for Spocktopus
Mockedtopus by jockstopus, my face was acne-pockedopus
My bully was always waiting as home I'd have to walktopus
Every single day after school at three o'clocktopus
My walktopusman jamming to New Kids on the Blocktopus
He scoffed and gave my nose a socktopus, I coughed as off he knocked my blocktopus
Now I'm gonna get my friend and I'm gonna get revenge on Jacques the Jerk-off Jocktopus

There's really only one who can hang with Doctor Octopus
Last night at Karaoke we sang One Night in Bangkoktopus
He served in the war in Iraqtopus, disturbed by the gore, he's shellshockedtopus
Permit me to introduce you to my good friend Eddie Brocktopus

VENOM

Yo, what up? I'm the one they call Venom
I'm gonna track Spider-Man down and then I'm
Gonna thank him kindly for the use of his second-hand clothes
Hand-me-downs that he found lyin' around
The Battleworld, that's the world where half of me originated
The half of me that you see, the rest is sublimated.
That's my sentiment, but then again I represent
Sentient alien symbiosis.

That means my super-suit's smarter than my foe's is.
Half jealous journalist, and half ET
I blend 'em when I can, again, I'm Venom, that's me!

DOC OCK

Check out my versatile white lab frocktopus
When I'm finger-paintin' it's a stylin' art smocktopus
Fans stalktopus my chalktopus, soon down my door they'll knocktopus
My style is late romantic, like Blake or Delacroixctopus

VENOM

Your suit's fine but check out mine
My suits a kind of sentient alien slime
I'm dressed to the nines, refined, and pleased to meetcha
Now give my shoes a shine or I'll tell my suit to eatcha

DOC OCK

Venom's veins are filled with ice water
Tip top of the police blotter
He'll bear witness to my slaughter
When I smash Spider-man with a fly swatter

VENOM

Doc Ock's the cock of the walk
He's gonna mock Deathlok like a jock rock shock jock
Doc Ock's crazy like a rabid fox
Like he smokes mad rock or ate tainted guac
Don't be shocked if he empties his glock
On the old folks home or the flock at Woodstock

He wears socks underneath his Crocs
And he likes to rock to Ookla the Mok
Doc Ock! He's got so many limbs
Nobody can count all the limbs on him.

There's a lot.

DOC OCK

Eight.

VENOM

Yeah! Like approximately eight.

DOC OCK

No. There's eight. Exactly eight!

VENOM

That's what I'm saying!

DOC OCK

No, it isn't!

VENOM

Yeah!

DOC OCK

Venom: we're saying two different things.

VENOM

At least two!

DOC OCK

I will crush your bones!

VENOM

Yeah you will!

DOC OCK

Stop agreeing with me!

VENOM

I will. I will stop agreeing with you...

DOC OCK

Stop!

Have a terrible day

In Bizarro World!"

DOCTOR DOOM

Doctor Doom
He's the most pessimistic guy in the room
Instills foreboding, apprehension, and gloom
And that is why they call him Doctor Doom
Plus that's also his name
He's badly scarred and he's iron clad
He's really smart and he's really mad
He's serious
and mysterious
He's quite nefarious
And full of scariness
He's Doctor Doom
Rex Imperius
of Latveria
Crown-head weariness
Is his mood dreary? Yes!
He's got Doombots and a time machine
His will is strong and his cape is green
He's Doctor Doom
And that isn't just a nom de plume
He's a doctor named Victor Von Doom
Dr. Doom
Dr. Doom
Doom Doom Doom

THE LIZARD

Everything everything absolutely everything
Every single little thing
Turns me into The Lizard
Connors me, amputee, desperately in search of a cure
Experimental DNA, reptile-based, risky for sure
Drink serum, grow new limb, unexpected reaction
Inner hidden self unveiled: green scales, long tail

Chorus

Spidey's bud, poisoned blood, find a way to save his Aunt May
Lizard brain, Silvermane, make the Rhino's hide go away
My experiments were a success but now when I am under stress
I sprout a tail and I get mean then I grow scales and I turn green

Everything...
I teamed up with The Wizard
(It turned me into The Lizard)

Everything...
I got stuck in a blizzard
(It turned me into The Lizard)

Everything...
I tried running with scissors
(It turned me into The Lizard)

Everything...
I fought the Falcon and his bird

SUPREMA LEX

I see you got my message
Thanks for dropping by
I just thought of something I wanted to remind you of
And then I'll let you fly

You know:
Being in here gets you thinking
When you're looking out through the bars
It makes you think about relationships
And I've been thinking about ours

And I keep coming back to
The one thing I wanted to say

I'm gonna kill you someday
I'm gonna kill you someday
Someday I'll find a way
And I will kill you

Now I admit I've done debatable things
For the benefit of humankind
My crimes led to convictions
But my convictions led to crimes

And when you came along to save the world
With your garish cape and stupid name
You took all of the credit
So I took all of the blame

Can't change that and
I guess these things happen
But still all the same

I'm gonna kill you anyway
I'm gonna kill you someday
Someday I'll find a way

When it's your time to go
I just hope you know
It's gonna be my hands around your throat
I get a little tiny bit closer each time I try
You're gonna die

I
Fly
Soaring through the sky on a rocket pack I designed

You
Flew
When you were two, you fly now too, big whoop-de-do

We
See
The same world in need of rescue, but from who?
I say from you

I'm not mad because you caught me
I'm not mad because you always win
I'm not mad about that fact you got the perfect girl
I'm not mad about your perfect chin

I'm not mad because you're stronger
I'm not mad that all my plans fall flat
I'm not mad because you made me lose all of my hair
Okay I might be a little bit mad about that

I'm not mad in any sense of the word
I'm not angry, I'm not insane
But it makes me rage and babble
To see this mindless rabble
Choose alien brawn over human brain

They
Say
You're so great and I'm a megalomaniac

Screw
You
You don't have a clue and I'm smarter than Brainiac

My only crime
Was wasting my precious mind—
I mean, time
Trying to help these gullible apes to reach the sky
But why try?
They fall all over themselves when you fly by
And that's why

I've gotta kill you someday
I'm gonna kill you someday
Someday I'll find a way
And it don't matter where, it don't matter when
And though I may lose again and again
Remember there's just one thing you've got to keep in mind
I only need to win one time
