

"Twas the night before Windycon,
and Adam had lost his voice.
"Whatever shall we do?" asked Rand.
"Eek!" said Doug.
"I can sing for him!" said Luis.
"... " said Adam.
"I've got brandy," said Bill Roper.
":)" said Adam.

And so, Adam was able to sing at the Big Ookla Show.

Have YOU ever seen a man drink an entire bottle
of brandy in 57 minutes and 17 seconds? If you haven't,
then you're in for a real treat.

Rand Bellavia: vocals, guitar, trombone on number one,
kazoo on tommy

Adam English: vocals, guitar, bass on my secret origin,
trumpet on das uber tuber

Doug White: bass, guitar on my secret origin

Luis Tomas Garcia: drums, vocals

Special thanks to Bill Roper, who set up the gig,
mixed and recorded the show, and got Adam drunk.
